

## Important Information

It is your responsibility to ensure that all the requirements for each component of this dual program to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

## Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in [mySI-net](#). If you require assistance selecting your plan(s), [follow these instructions](#).

You may need to amend this study planner depending on the plan(s) that you have chosen to study.

## Early Exit

Students exiting early with one component of a dual program must complete the single program requirements of that component.

## Program Requirements

### Bachelor of Human Movement and Nutrition Sciences Requirements:

- 32 units from BHMNS List comprising –
  - 32 units for all BHMNS Core Courses

### Bachelor of Arts Requirements:

- 32 units from BA List (courses listed under BA majors) including either –
  - 32 units for two majors from BA majors; or
  - 32 units for one BA extended major and BA minor

### NB:

- A student may not undertake the Sports Studies Major in the BA component of the dual program.
- A student may not undertake the Sports Studies Minor in the BA component of the dual program.

## Program Guidelines

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant area for advice if course scheduling has changed.

**The Program Requirements outline the requirements to complete the dual program and should be read in conjunction with the course list for each component of the dual program. Please refer to the program and course requirements for more information.**

## Require Further Assistance?

If you require assistance planning your program or have concerns about meeting program requirements, contact the relevant area for advice:
