

Dr Alf Howard International Travel Scholarship

As a result of a generous bequest from the estate of Dr Alf Howard AM, the School of Human Movement and Nutrition Sciences is pleased to announce the opening of applications for the 2016 *Dr Alf Howard International Travel Scholarship*.

The scholarship is valued at \$4500 and will be awarded annually to allow a Research Higher Degree student from the School to undertake international travel which will improve the quality of the recipient's research.

Applications for the 2016 *Dr Alf Howard International Travel Scholarship* are now invited from current confirmed RHD candidates enrolled through the School of Human Movement and Nutrition Sciences.

Free form applications are invited which describe:

1. the candidate's track record of academic excellence;
2. the program of planned travel; and
3. how the planned activities will improve the quality of the candidate's research.

Presenting a paper at a conference may well form part of the planned program, but is not normally expected to be the primary activity undertaken.

The application should include a budget for the trip, and where the budget exceeds \$4500, an indication of where the balance will be funded from.

Applications should also be accompanied by a letter of support from the candidate's principal advisor, and where appropriate, a member of the international host institution.

Applications should be sent to hmns.research-admin@uq.edu.au by the last Wednesday of August.
