

STUDENT PAPERS PERTAINING TO THE OLYMPIC MOVEMENT

WRITTEN BY STUDENTS

in IanJ's

NON-SPECIFIC OLYMPIC COURSES

at UQ

NUMBERING SYSTEM IS # 3001 – plus

Following the 2011 Brisbane Flood the allocation of space for the UQ Centre of Olympic Studies was reduced (considerably!). IanJ made the decision to throw out all student assignments (which had been kept since his arrival at UQ-HMS in July 1978) not related to the Olympic Movement. This was not an easy decision.

So, this indexed file of student assignments written by students in non-Olympic Movement courses taught by IanJ was created. Much of the initial compilation was done by Lisa Lin. Lisa was an Intern at the UQ Centre of Olympic Studies, from the University of Alberta during the period August - November, 2014.

Initial Resource completed: November 26, 2014.
